# T1A2 Portfolio

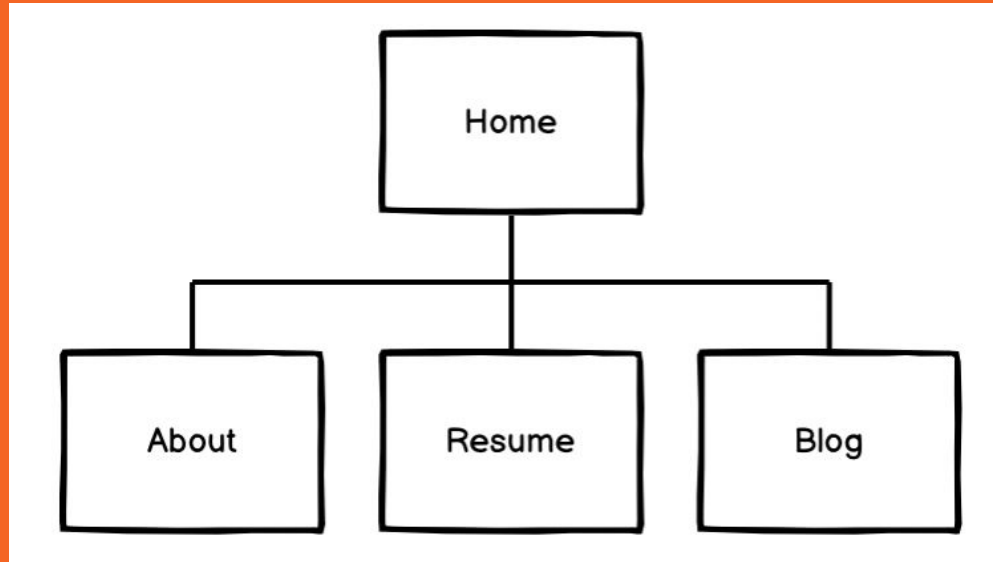

Josh Stephenson

---

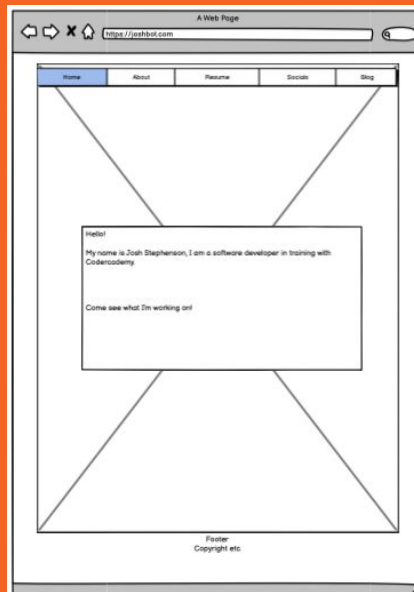

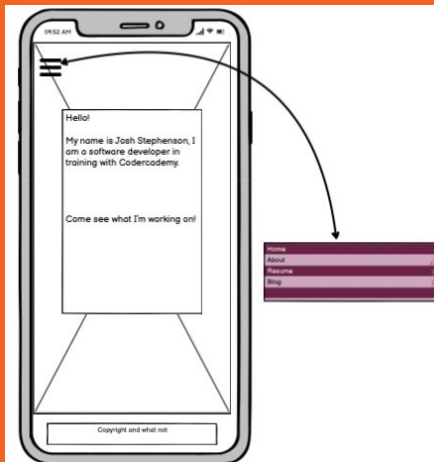

---

# SITEMAP

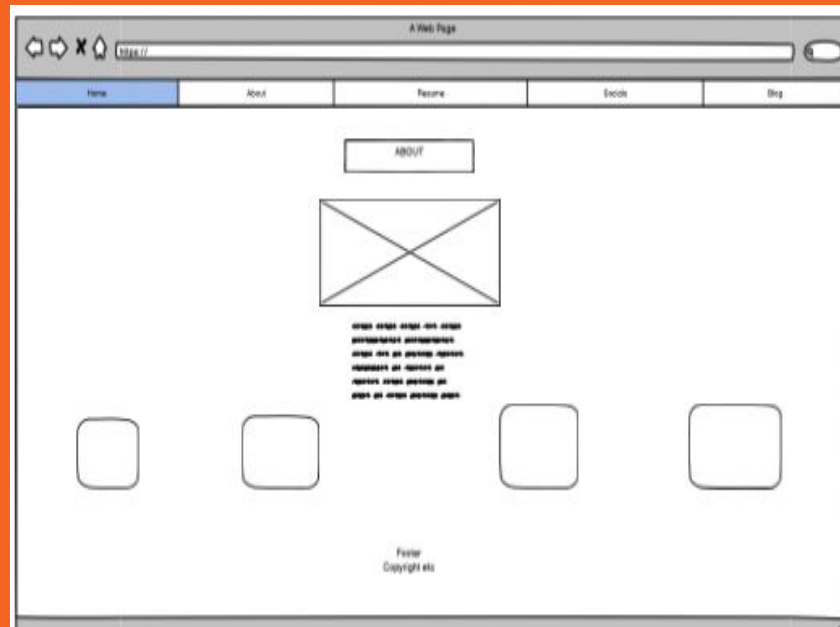

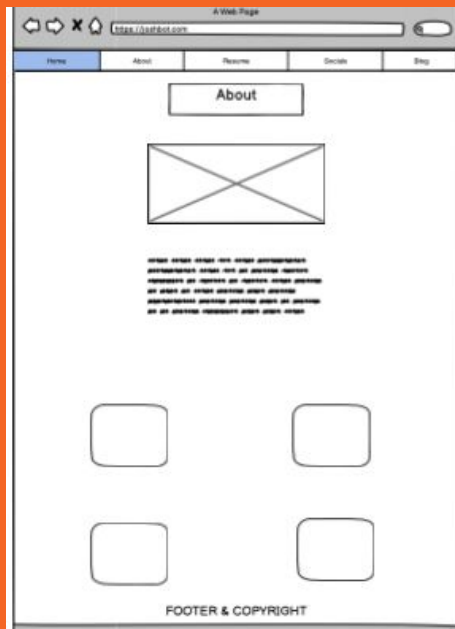

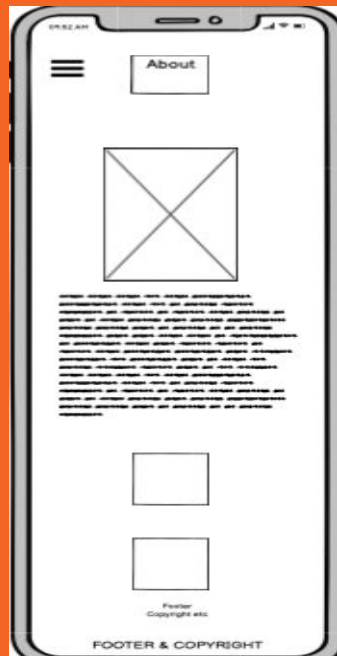

- Simplicity
- All html pages within portfolio will be accessible through nav bar
- All external links will open separate tab to keep traffic on my portfolio
- Dark Mode color scheme
- Build/improve site as I go

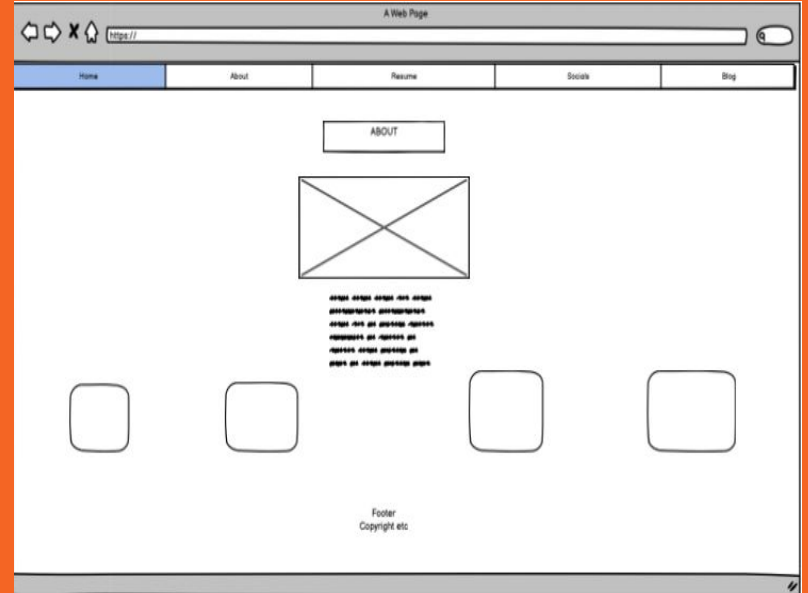

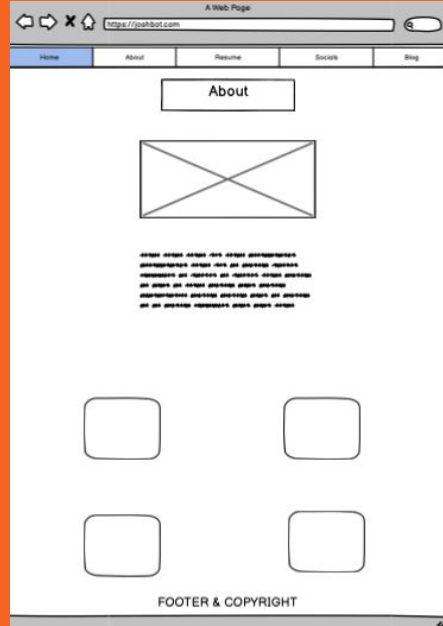

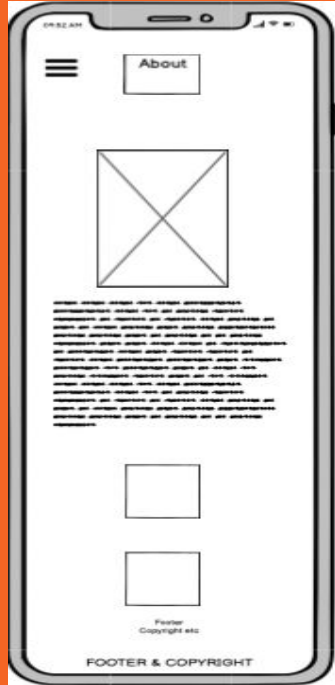

# HOME

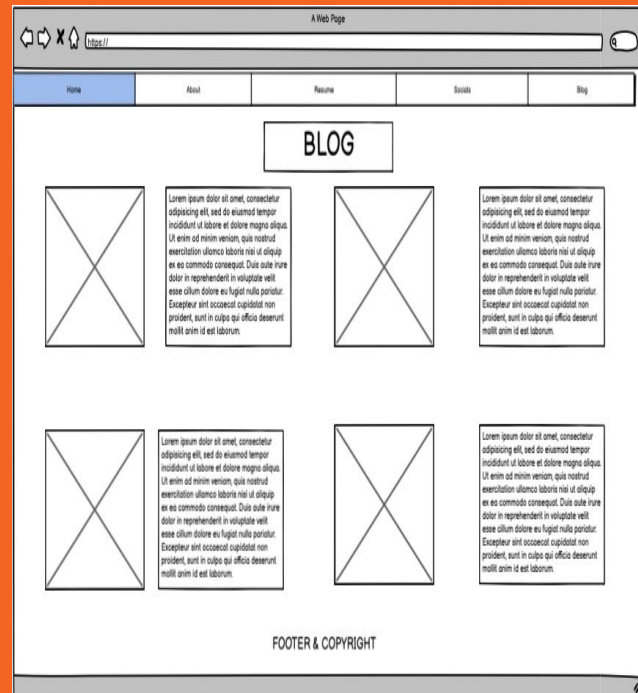

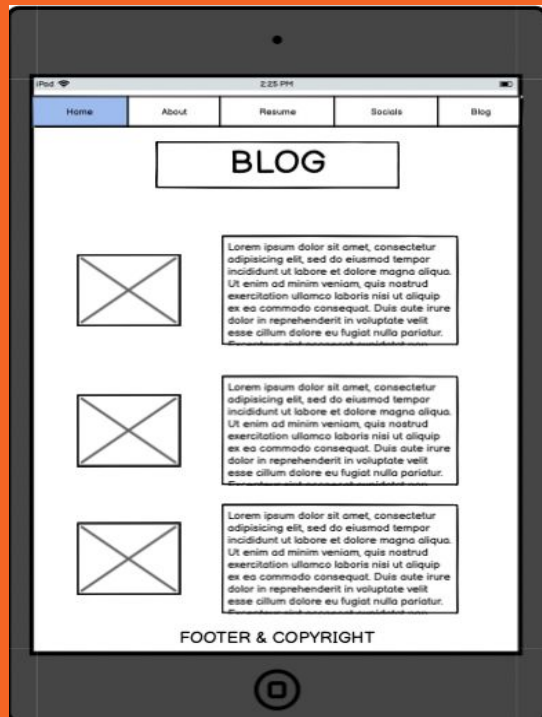

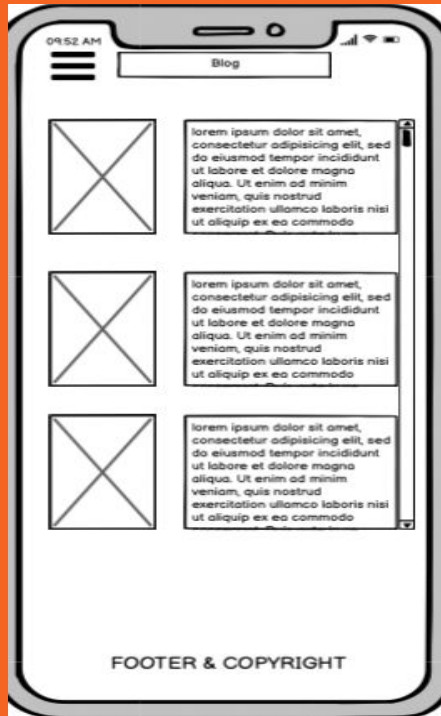

# ABOUT

# RESUME

# BLOG

# COMPONENTS

- Hamburger Menu (mobile viewport)
- Nav bar (non mobile viewports)
- Footer and nav stick to top of page
- Flexbox used for responsive layout
- Icons in footer lead to social media site
- Animations on tech icons on about.html

# CHALLENGES

- Hamburger Menu
- Responsiveness
- Tab Menus
- Where to start?

# REWARDS

- Filling in knowledge gaps to achieve product desired
- Design Process
- Aligning items
- Creating engaging experience
